DAHLIAS—GLADIOLI
and
HARDY NURSERY STOCK
For Western Planters

ABOUT ORDERING

ORDER EARLY—By ordering early you will be insured of getting all the varieties you order. Late in the season we are often sold out of some varieties and in such case we fill your order with a variety that is similar to the one ordered, but of equal or better value unless instructed not to do so. We always label correctly.

ALL STOCK GUARANTEED TRUE TO LABEL—Should any prove otherwise we will replace free, but in no case will we be responsible for any greater sum than the original cost. We guarantee all the stock we send out to reach you in good growing condition. Should anything be received in poor condition or unsatisfactory, complaint should be made at once.

WE PREPAY TRANSPORTATION on all bulbs and small plants. Heavy trees and ornamental shrubbery travel at purchasers expense unless your tree and shrubbery order amounts to \$10.00 or more and cash accompanies the order. Unless instructed how to ship we will use our own judgment and get same to you at the proper planting time.

WE REPLACE any stock that fails to grow, at one half price. We do our best to send stock that will grow and please in every respect and should not be asked to stand all the losses, which are beyond our control.

REMITTANCE should accompany all orders. Money orders, checks, or under \$1.00, stamps are accepted.

DISCOUNT—On orders received before March 15th where cash accompanies the order, we allow a discount of 5 per cent or 10 per cent if taken in dahlia or gladioli bulbs.

CERTIFICATE OF INSPECTION accompanies each shipment. Our stock is clean, vigorous and free from disease or insects.

LOCATION—West end Beaver avenue, in Fulton Heights.

VISITORS are always welcome and we would be pleased to show you through our nursery and especially so during the flowering season.

THIS LITTLE CATALOG is our only salesman. You will find these prices much less than you pay if ordered through agents. We do not have an expensive catalog, so give you the benefit of offering you the best possible to grow at prices that are right.

OUR REFERENCE. We refer to the Farmers State Bank of this place or any other business house in Fort Morgan. If we please you **tell others**, if not tell us.

DAHLIAS

We make a specialty of this most popular flower and are offering you here some of the world's finest varieties at prices worth considering.

We have tried out many of the higher priced varieties, some of which did not come up to our expectation. The varieties listed here have all done well with us and have won prizes and proven so satisfactory that we have all confidence in recommending them to you.

Three-fourths of all dahlias we sell are selected by those who visit our display gardens during the flowering season. This not only shows that we do not overestimate in describing in our price list but that they are in quality and beauty all that could be desired and more than can be portrayed on paper. Many of these dahlias have won the highest awards in the largest Dahlia shows from coast to coast.

Cultural directions will accompany each shipment. Prices are for strong field grown tubers delivered anywhere in the United States.

SPECIAL MERIT DAHLIAS

We are listing here three varieties for special merit that are gaining favor with those who love fine dahlias. These and the three listed below under New Dahlias are of Fort Morgan origin. In quality and beauty they will class with those of other originators that are catalogued at a much higher price. Try some of these.

PRIDE OF FORT MORGAN—This dahlia won first prize at the Colorado State Fair in 1929 and again in 1930 for the largest and best red dahlia.

It is a brilliant deep red of the Giant Decorative type. The flower measures up to 12 inches, beside being very deep. This dahlia is fast finding its way to the top. Is a good root maker which accounts for the very low price we are making. **Price strong tubers \$1.00 each.**

COLORADO SUNSET—Here is a novelty that attracts much attention. It has three distinct colors. The base of each petal is bright red, edged with gold and tipped white. The flower is large and stem good. This is one of the most beautiful dahlias grown. **Price Each \$1.50.**

ARCHIE MARVEL—This dahlia pleases all who are looking for a high class yellow decorative dahlia. It has an unusually good strong stem and carries the flower erect and in full view. The large yellow flower is covered with a silvery sheen which adds to its beauty. **Price each 75 cents.**

NEW DAHLIAS

AUTUMN GLOW—Large, Autumn shaded decorative dahlia of high quality that we believe will become popular when sufficient stock is available. This dahlia must be seen to be appreciated. **Price strong tubers \$2.50 each.**

DEFIANCE—When it comes to beauty we have it here. Flower is not large but the color is an unusual shade of red and the petals are tipped white. The contrast is most beautiful. **Price \$1.50 each.**

MRS. MARIE TOPP—Here we have a shade that is rare among dahlias. It is a very light cream that was admired by all who saw it growing in our garden. Flower large and stem good. A heavy and constant bloomer. This variety should be in every choice collection. **Price only \$1.00 each.**

DECORATIVE DAHLIAS

These are the broad petaled, slightly flattened flowers, having full centers.

	Each
ANDY GUMP —Bright red flower with very good stem.....	\$.35

DAHLIA COLLECTIONS

These are made up from choice varieties that we have in surplus. We assort well in color and type. Would cost much more if ordered separate.

Collection No. 1—12 fine mixed bulbs	\$ 1.50
Collection No. 2—12 Choice named	2.50
Collection No. 3—12 New varieties	3.75
Collection No. 4—12 best Prize Winners	10.00

All bulbs are priced prepaid. It pays to order direct from the grower.

CANNAS—Uncle Sam. Red. Each 15 cents; doz. \$1.25.

GLADIOLUS

For cut flowers there is nothing that will excel the gladiolus. Their long spikes of deep colored and dainty orchid shades as well, will continue to bloom for a week or more after being cut. They require no special soil or culture but prefer a sunny location.

We have a fine assortment of the fancy varieties and are quoting prices that are within the reach of all. These prices are for the largest size bulbs. Small blooming size will be supplied at one-half the prices quoted. Where not quoted by the hundred, can furnish 100 smaller blooming size bulbs at four times the price quoted on one dozen. All are prepaid. Six bulbs at dozen rates. Fifty at hundred rate. Cultural directions sent with blubs.

	Each	12	100

STRAWBERRIES

SENATOR DUNLAP—We consider this the best variety we have ever tried both for home use and for the market. It is very hardy, productive, a splendid keeper and of the highest quality. Fruit is large, even, and of a beautiful dark red color. Being a very robust grower it is able to withstand our changable climatic conditions better than most varieties.

We are now growing this variety exclusively as our Spring bearing variety and having several thousand of the highest quality plants are making low prices. You can't go wrong by ordering Senator Dunlap.

Price 25 for 50c. 100 for \$1.00 prepaid. By express collect \$4.50 per 1000. Five hundred at thousand rates.

PROGRESSIVE EVERBEARING—Medium sized berry of good quality.

MASTODON EVERBEARING—The largest and best everbearing variety. Plant a robust grower. Price both everbearing varieties. 25 for 75c. \$2.50 per 100.

MISCELLANEOUS PLANTS

ASPARAGUS—Giant Argentinian and Washington. Strong two year plants 50c per Dozen; 25 for 75c; 100 for \$2.50.

HORSERADISH—Best variety for relish. Each 5c; Doz. 50c.

RHUBARB—Lincoln wine plant and Mammoth. Each 20c; Doz. \$1.50.

SAGE—Holt's Mammoth. Each 15c; \$1.50 per Dozen.

EVERGREENS

All of our evergreens offered here are stalky transplanted trees and prices should not be compared with collected trees or seedlings. Prices are for trees at nursery, dug with a ball of dirt and burlapped. Handled this way they can be shipped safely by freight or express to any state in the U. S. A.

	Price Each 1 to 1½ ft.	1½ to 2 ft.	2 to 3 ft.

Can do 4 to 6 feet trees at 10 cents each in Poplars and Willows. Quality considered, our prices are the lowest. We guarantee satisfaction. Those recommended for dry lands are marked with a star (*).

By ordering Colorado grown trees you not only get those that are hardy but you are assured of getting fresh dug stock of the highest quality that is already acclimated. This is worth considering.

SHADE AND ORNAMENTAL TREES

No place is complete without shade and ornamental trees. We grow a complete assortment of the better varieties for Western planters. Would be pleased to have you call and make your selection and will make special prices to those who wish to dig and pack their trees.

Prices quoted are for straight, specimen trees. Trees that are slightly crooked may be had at half price in most varieties where purchaser digs his own trees.

	Priced Each	4 to 6 ft.	6 to 8 ft.	8 to 10 ft.	10 to 12 ft.
